About the Chamber

Established in 2004, the Onslow Chamber of Commerce and Industry (OCCI) is the only organisation solely dedicated to championing local business and economic growth in Onslow. Representing around 95% of Onslow businesses, the OCCI plays an essential role in connecting industry with community, supporting members through periods of development and transformation which are driven by major projects such as Chevron's Operated Wheatstone Project, Woodside's Macedon, and Mineral Resources' Onslow Iron. As Onslow continues to evolve with expanded infrastructure and trade opportunities, the OCCI remains committed to shaping a resilient, thriving, and diverse business environment for the region.

Our membership includes large resource and mining companies, small businesses, government and community services, retail, tourism, and various other industries.

Each of our 150+ members help OCCI advocate for the local business community and drive positive change in Onslow.

Members' feedback and support enable us to tailor services, initiatives, and advocacy efforts to address Onslow's unique challenges and opportunities.

Our Purpose

Promote the interests of local businesses and enhance Onslow's economic vitality through advocacy and support.

Provide services that help businesses become more competitive, resilient, and successful in a changing economic landscape.

Offer valuable resources like networking opportunities, training, and professional development to equip members with essential tools.

Facilitate connections between local businesses and major industry projects to ensure access to growth opportunities.

Our Members

Our membership includes large resource and mining companies, small businesses, government and community services, retail, tourism, and various other industries.

Each of our 150+ members help OCCI advocate for the local business community and drive positive change in Onslow.

Members' feedback and support enable us to tailor services, initiatives, and advocacy efforts to address Onslow's unique challenges and opportunities.

Key Focus

Networking and Events

Providing platforms for knowledge exchange, collaboration and community capacity building.

Advocacy and Representation

Championing the needs of local businesses and influencing policy to ensure a sustainable future.

Business Support

Deliver a multi purpose facility which caters to both local business and member needs. Provide space for innovation, entrepreneurship and business development.

Governance

Ensure the Chamber operates with transparency, accountability and best practices to ensure the OCCI remains stable, compliant and credible.
